

BPYC - Volunteer Appreciation Party

Bay Point Yacht Club's Appreciation Party on Sunday, January 8th, was a cheerful time of fun and fellowship for the members.

Commodore Tim welcomed everyone. He sincerely thanked all the members for their kindness in volunteering their time in hosting and helping out in so many caring ways during the year of 2022.

Thanks to all those for the social Friday Night Happy Hours, special theme event parties, breakfasts, yacht raft-up sunset socials, Catamaran Party, Beach Bonfire party, Kentucky Derby party and those who served as an anchor boat for a raft-up.

Commodore Tim then thanked all the Board members, Directors, Social chair, Sandy Espy, servers: Vickey Dunaway and Dawn Brady-Hiner, and lastly thanked Glammadore Amy for a great successful year.

Commodore Tim then introduced Glammadore Amy to read a heart -warming poem that she wrote of thanks to all the members for their time, support, and love they have given during the year of 2022.

The Bay Point Yacht Club is strong and vibrant as it is today because of the wonderful members in the club and the joy it brings to the members because of their commitment.

Past Commodore John Harris gave the blessing prior to lunch.

The Club décor was decorated by Glammadore Amy of white tablecloths along with centerpieces of globes with blue stones and twinkle candles with the “Thank You” Back drop.

Hosts for the party were Commodore Tim and Glammadore Amy in which Commodore Tim grilled Honey Baked Ham and chicken on the smoker grill and provided baked beans, potato

chips, cookies and the Volunteer Appreciation white icing carrot cake

The following members offered to bring additional food that was greatly appreciated - members Kenney and Christy Rogers provided chips/salsa, Director Rollin Cable and Teri Cable brought potato salad, Ron and JoAnn Dubin brought pasta salad, and Alex and Paula Rodriguez provided coleslaw.

Members really enjoyed the yummy lunch and the time of fellowship on the beautiful Sunday afternoon.

Phi Doane and Greg Lissor stopped by Commodore Tims house and got his club flag that he has displayed above his front door the entire year as he has been Commodore. Phi had all the members sign the flag that attended the Volunteer

Appreciation Party
