

Bay Point Yacht Club

Toga Party

Gaius Julius Caesar, Marcus Junius Brutus, Gaius Cassius Longinus, along with Aurelia, Claudia Marcella, Valeria Messalina and assorted Vestal Virgins were joined by members of the Bay Point Yacht Club in celebration of the Feast of Bacchus. Hosts for this party were Kay and Vice Commodore Vince Murphy with Sue Sailors and Stafford Pittman. Fabulous Ancient Roman decorations were made by Robin Stutts and Holly Muller.

The party was catered by Paparazzi who provided 4 kinds of pizza and garlic knots. Kay and Sue created Greek, Caesar, and Olive Salads. Additionally, there was Greek Dolmades and Baklava. The tables were decorated in ancient Roman colors.

Participants arrived in toga and ancient Roman warrior and matron costumes and the best costume awards were won by Christi Rogers and Bart Dawson. All the costumes were creative and festive and there could have been 20 best costume awards.

Music was provided by Amy Cline and was highlighted by Karaoke sung by Amy, Christi, and Vince. Such fabulous talent did not go without notice from the crowd. Dancing through the evening by Vestal Virgins made the evening complete.

This party was a roaring success and additional parties are planned for the balance of the year.
