

The Bay point Yacht Club enjoyed an extended Friday night social with a Hawaiian Luau in celebration of Suzy Nichols' birthday and all the fun of a costume theme party.

A delicious buffet of pulled pork, teriyaki chicken with pineapple chunks and rice, a green salad, and pineapple appetizers, was followed by birthday cake for dessert.

Authentic entertainment was provided by Christina with Island Style Hula. A fire dance was performed by Manja with La Daminia Entertainment, and traditional Hawaiian songs were performed by DJ/ Musician Wally Tirado.

Costumes were worn by most participants, and some were very creative. The party had well over 100 participants who enjoyed the food and free drinks in the club's best tradition.

The birthday girl received dozens of cards, well-wishing her many more happy birthdays although it doesn't seem possible there could ever be a better celebration than there was on August 11<sup>th</sup>.
